After School Club Newsletter

Summer 1

Dear Parents and Carers,

With an improvement in the weather and lighter nights, we have been able to get outside for longer and to take advantage of the fresh air and exercise.

We have also completed the finishing touches to our Spring board, with the addition of beautifully coloured butterflies, which we are sure you will agree look fabulous!

Having completed this, we are already starting to plan out next board which concentrates on a Summer theme. This theme is one that the children find extremely exciting and you will see the outcome in our next newsletter.

A further satisfying activity has been the icing and decorating of biscuits with multi coloured chocolate beans. These have been eaten much quicker than it took to design!

We would like to mention and celebrate all the birthdays which we have had, as follows…
