	ready for these opportunities to take place.
KS2 Swimming Scheme	CLPA has ensured parental contribution to our swimming
We introduced a new approach to swimming at CLPA:	scheme (across 3 academic years) is reasonably priced.
Year 5 to swim in autumn term.	This includes 10 swimming sessions and transport for the cost
Year 4 to swim in spring term.	of £12 per child.
Year 3 to swim in summer term.	

	We predict that data for National Curriculum requirements will improve once pupils have undertaken the full swimming scheme.
CPL for teaching staff	
Class teachers team-teaching with PE Coach.	Class teachers have learnt new activities and games, which they are able to include in cross-curriculum teaching and learning. We will continue to develop this approach in 2019/20. CLPA are enquiring about CPL opportunities to take place during inset days during 2019/20, this includes dance and gymnastics. These are both areas which have been identified
	for further development within our scheme of work.
CLPA has developed an Inclusive sport approach for all pupils. This includes considering all pupils' abilities and/or disabilities when planning lessons and activities.	CLPA would like to develop our inclusive approach to Order equipment to ensure all children at CLPA can actively take part, ensuring disability is not a barrier to learning or being physically active.
